**We will do our best to accommodate as many people as possible with seating in the Main Dining Room, Library and Model Room if needed. We will also provide auditorium seating closer to the speaker to provide a better view.**

**Mr. Jobson's presentation is approximately 75 minutes and his topics include the US Sailing Team's highlights of the Beijing Olympic Games, long distance racing: the Chicago to Mackinac Race, the Volvo Ocean Race, the Bermuda Race, the Transatlantic Challenge, and the America's Cup. There are two special features; one on Classic Yachts and another on his recent expedition to Antarctica. He also narrates a fast paced history of the America's Cup, which includes fascinating new footage of BMW Oracle Racing's trimaran. He tells his favorite stories, speaks on the issues of the day and shows two action packed videos on the highs and lows of speed sailing.**

**Mr. Jobson's book, "Championship Sailing" will be available for purchase at \$20 (\$25 retail value). If you wish to purchase a copy, please let us know so we have enough copies on hand. He will sign books before and after his talk.**
